

WHAT IS THIS EVENT?

The Bucks County Special Needs 5K Fun Day was created not only to offer a fun day in the sun for serious runners but also to provide a fun activity for special needs families. Runners will challenge themselves in a 5K fun run starting at 9:00AM.

The second portion of the day will be a fun walk starting at 10:00AM where the path will be dotted with fun stations where each child can stop and perform a task such as softball toss or face painting and get a set of beads for their task completion.

The event will then transform into an outdoor concert setting with a live band performing music.

This will allow families to relax and enjoy some food, fun and music in the beautiful park setting. There will be games available for the children to play and all events will have volunteers to assist the children so parents have a chance to interact. We have found in the special needs community that we learn so much from each other through our experiences and knowledge.

TEAM CHALLENGE

Represent your school and put a team together (10 members) to compete. Prizes will be awarded to the top three fund raising teams. All participants signed up by May 1st will receive a t-shirt.
