In preparation for the coming season, we would like to remind you that CRUSA/FC Bucks has a uniform policy with which our members are expected to participate. As an Adidas sponsored Club, our contract requires we order new Adidas sportswear each year, with uniform items as determined by the Board of Directors. In return, Adidas provides members with sizable discounts on all Adidas gear, and also provides additional support for our programs and tournaments.

The required uniform kit for all 2018-2019 FC Bucks Members is:

1. Red jersey, white jersey
2. Red shorts, white shorts
3. Red socks and white socks
4. Red Adidas Soccer bag
5. Gray Entrada training jersey
6. Tiro 17 Training jacket and warmup pants (new in 2017)

Returning players with item numbers 4, 5, and 6 above are not required to purchase again if purchased in the 2017-2018 season.

The Uniform Store is now available for you to purchase all required items as well as any additional fan gear. Please be sure you are complying with the Club Uniform Policy by ordering today! You will find the link to the store on the [FC Bucks Premier page](#) of our website, in the left margin.
