

Dear Council Rock United Family,

As we prepare for our Spring Intramural season, I wanted to make our community aware of a program that has been a tradition since 1977. The program is “TEAM SPONSOR” and has always provided our Intramural boys and girls divisions the extra needed funding. The funds raised through “TEAM SPONSOR” have been used for a variety of expenses that relate directly to running the Intramural season. Those expenses include field maintenance, training clinics for players and training clinics for coaches. This year is no exception as we plan to expand our training clinics with our highly qualified trainers and their assistants.

The cost of becoming a “TEAM SPONSOR” is still only \$225.00. Each sponsor will have their company or family name printed on the back of the team’s jersey. In addition, you will receive a team picture mounted on a wooden plaque and be listed as a CRUSA sponsor on our club website.....[www.crusa.net](http://www.crusa.net)

There’s three convenient ways to sign up as a sponsor. You’re able to access the sponsor tab when you register your son or daughter on the CRUSA website, call our club office at 267-988-4053 or email us at [admin@crusa.net](mailto:admin@crusa.net)

Sincerely,

Lew Spiewak  
Executive Director  
Council Rock United S.A.
